

# **CTSO Activity Period November 16, 2011 Suggested Activities**

## **CTSO Contests**

- Expectations of skills and leadership contests available to your CT student organization.
- What contests are available to students and what is required of each contest?
- Please access your CTSO website to find information.
- Related Activities: Utilize senior or past students to emphasize benefits of contest involvement.

## **Skills USA Leadership Conference Update**

- Utilize your cluster representative to update your program on activities related to the recently completed Skills USA Leadership Conference.

## **Have a CTSO Meeting Using Parliamentary Procedure**

- You may want to discuss service projects or other activities that you will be pursuing with your classes. The Student Leadership Group is meeting to discuss service projects for the entire school, but that does not preclude programs from participating in their own service projects (with their supervisor approval).
- Please reference the 09/12/11 email referencing the Parliamentary Procedure activity complete with PowerPoint, Parliamentary Procedure Booklet and Video available on PentaTV featuring Penta students conducting a meeting.

## **“Compass Points: A Personal Work Style Inventory”**

- CTSO activity related to Employability/Team Building (Personal Jeff Kurtz favorite)
- This activity is complete with rationale and lesson plan attached.

## **Student Planning/Organization related to Career Night**
